

DAKOTA  
SPECIALTY MILLING

*Grains for all reasons<sup>SM</sup>*

Consistently  
the right mix.  
*Every time.*

**As one of the largest suppliers** of custom-milled whole grain blends, **Dakota Specialty Milling** is dedicated to meeting the specific needs of our customers. Known by bakers everywhere for our high level of product consistency, **Dakota Specialty Milling** is the trusted ingredient for the most sought after brand-name variety breads, cereals, crackers and nutrition bars.

Using the highest quality raw materials, **Dakota Specialty Milling** cereal chemists, millers, and bakery specialists understand both the aesthetic and technical needs of bakers. Our state-of-the-art systems deliver unparalleled consistency and reliability and that translates into higher profits for you. Always responsive to our customer's unique specifications, once a grain formulation standard is agreed upon, that custom blend is delivered consistently. On time. *Every time.*
